We’re on the train and we’re going away to the jungle
We’re on the train and we’re going away to the sea
Just you and me for a wonderful holiday
We’ll sing and we’ll dance all day in the sunlight
Day in the sunlight!
We’ll swim and we’ll splash about and be free
Just you and me
Wo oh! Oh oh!
Choof choof chakka chakka chakka chakka
Choof choof chakka chakka chakka chakka
Choof choof chakka chakka chakka chakka
Choof choof wo oh oh oh!
We’re alright cause we’re off on a big adventure
On a big adventure!
We’re all set got some sandwiches for our tea
Sandwiches for our tea
Just you and me
Just you and me
It’s a wonderful holiday
We smile and we wave at the people together
People together!
We cheer as the train gathers up speed
Train gathers up speed
The horn blows choof choof
Choof choof
If you close your eyes and believe
You can be anywhere you want to be
As long as it’s you and me
Together
Together
Together
Together
Together wo oh oh oh!
Choof choof chakka chakka chakka chakka
Choof choof chakka chakka chakka chakka
Choof choof chakka chakka chakka chakka
Choof choof wo oh oh oh!
Some may say
That this train
Is a climbing frame
That doesn’t move
But if you close your eyes and believe
Choof choof wo oh oh oh!
You can be anywhere you want to be
Choof choof chakka chakka chakka chakka
As long as it’s you and me
Choof choof chakka chakka chakka chakka
Choof choof wo oh oh oh!
Choof choof wo oh oh oh!
Power!
